Knorr has been making cooking easy since 1838. Its ready-made sauces and stock pots are available in nearly 90 countries worldwide and with annual sales over \$3 billion, it is parent company Unilever's biggest-selling brand. In Poland, Knorr's best-known product is Bulionetka ; a stock used in soups and braised dishes. Even well-known brands can't stand still in the hyper-competitive FMCG category, especially when busy lifestyles mean that fewer and fewer Polish people take the time to cook at home. Knorr's new TV campaign was designed to raise awareness among women aged 25-49, but Knorr also wanted to reach a younger audience to drive sampling and sales.

Questions :

- 1) Knorr approached you to prepare a suitable and multi channel digital marketing plan to attract the younger audience to its products.
 - 2) Prepare a digital add to promote Knorr products and services in social media of your choice. Justify your choice of social media.
